

FORWARDING · TRANSPORT · CUSTOMS

Your cargo in safe hands.

Your Swiss partner for special transports, international forwarding and customs clearance – since 2003, around the clock.

Welcome to CLG AG

A modern, dynamic forwarder based at Switzerland's most important air-freight hub – Zurich Airport.

01

Since 2003, CLG AG has offered customers from trade and industry a seamless range of forwarding services. International road transports are part of our daily work, as is the organisation of worldwide air and sea freight shipments – together with the related customs clearance, handled by our own highly qualified staff.

Our transport and customs services are available on demand around the clock. Whether an unusual special transport or everyday forwarding, large order or small: we handle every task competently, quickly and with uncompromising quality.

About us

Entrusting your goods to others takes trust in your partner. With us, that trust pays off.

02

As a modern, dynamic forwarder, CLG AG is based at Switzerland's most important air-freight hub – Zurich Airport. To meet every requirement of our customers from trade and industry, our transport and customs services are available on demand around the clock.

CLG AG's range of services leaves nothing to be desired: unusual, individual special transports are organised just as reliably as everyday forwarding. This is ensured by a dedicated team that masters every challenge with flair – and whose managers are actively involved in day-to-day operations.

Freedom of choice without compromise

CLG AG works as an intermediary forwarder and deliberately owns no cargo ships, aircraft or trucks. That is precisely your advantage: our dispatchers select the optimal partner for every task, offering a precise solution tailored exactly to your needs for any transport challenge.

Vision & Mission

Nothing is too heavy for us – literally and figuratively.

03

VISION

From your ramp to the destination

At its three Swiss locations, CLG AG ranks among the most respected and reliable forwarding companies. You can expect an efficient, motivated team offering maximum flexibility. You are at the centre of everything we do – with all your concerns and needs. Handling tailor-made complete solutions is our daily business. We carry out every task related to transporting your goods competently, quickly and safely.

MISSION

Our promise to you

We pursue two goals: solutions of consistently flawless quality – and services that not only satisfy our customers but make them genuinely happy. To achieve this we have anchored key principles in our mission:

- ✓ We advise you competently on all questions relating to the forwarding of goods.
- ✓ We inform you transparently and honestly – in personal contact.
- ✓ We recognise your wishes early and fulfil them proactively.
- ✓ We offer uncompromising flexibility and respond to every request.
- ✓ We handle every transaction as efficiently as possible.
- ✓ We are always reliable and competitive in the market.
- ✓ We deliver our services with motivated staff.
- ✓ We work exclusively with reliable, experienced and qualified partners.

Facts & Figures

Small but excellent – and a heavyweight in international forwarding.

CLG AG is a Swiss transport company working with the best transport partners worldwide. We move everything that moves you – from a box of bananas to a 40-foot container.

OUR STRENGTHS

Fast, flexible, error-free

Our team always responds to your individual wishes – quickly and efficiently. Customs clearance in particular has to be fast, with no room for mistakes. That is exactly why you should rely on the strengths of CLG AG for your goods:

- ✓ Personal contacts
- ✓ Office staffed on Saturdays
- ✓ Available 24 hours / 7 days
- ✓ Proximity to Swiss customs at Zurich Airport
- ✓ ZEZV customs status (authorised consignee and consignor)
- ✓ Own cold room at Zurich Airport

Nothing motivates me more than three little words: it can't be done. When I hear that, I do everything to make the impossible possible!

06

ROAD

Road Transport

We handle part and full loads throughout Europe from start to finish. We work with a range of professional carriers and select, for every task, exactly the partner who best meets your requirements:

- ✓ Selection of the right carrier by type of goods and your needs
- ✓ Handling of all customs formalities in line with legal regulations
- ✓ Coordination, monitoring and controlling of the entire transport process
- ✓ Excellent network for groupage and full loads throughout Europe

HEAVY & DANGEROUS GOODS

Special Transports

Heavy cargo, large components, fragile or dangerous goods? We see special transports as a welcome challenge. Thanks to many years of experience and proven specialists, we find a tailor-made solution at a fair price for every transport problem – by road, air or sea.

- ✓ Close cooperation with selected partners and access to transport equipment of every type and size
- ✓ Coordination with police and road-traffic authorities, obtaining all permits
- ✓ Also for the medical sector: patient transfers, transport of umbilical-cord blood and laboratory samples
- ✓ Available around the clock thanks to a 24-hour emergency service

Air & Sea Freight

Moving worldwide – with leading airlines and shipping lines.

07

AIR FREIGHT

Air Freight Import & Export

For air freight you benefit from a comprehensive full service. We tailor every step precisely to your needs – from pre-carriage and handling to customs formalities and delivery. Shipments are monitored with the web-based Track and Trace system, with direct customer access on request.

Import

- › Pre-carriage & collection from the supplier abroad
- › Handling and customs formalities at departure
- › Selection of the right airline to your criteria
- › Import clearance thanks to ZEV customs status
- › Express delivery right after landing or collection at Zurich Airport

Export

- › Express collection of the shipment at any desired location
- › Handling and customs formalities at departure
- › Selection of the right airline to your criteria
- › Customs clearance in the destination country by selected agents
- › Delivery or collection at the destination airport

SEA FREIGHT

Sea Freight – Import & Export

We work with the sea-freight specialists of leading shipping lines and ship your goods from any port to any destination – as Full Container Load (FCL) or Less than Container Load (LCL):

- ✓ Reservation and provision of containers at the desired loading point
- ✓ Handling of all customs formalities, collection of the full or part load
- ✓ Transport by truck, rail or Rhine shipping to the port of loading
- ✓ Selection of the right shipping line and delivery in the destination country

International Forwarding

08

A seamless range of services – in Switzerland, across Europe and around the world.

The demands of production and trade on transport and logistics are ever more complex. CLG AG adopted a global approach early on and ensures international forwarding through a well-developed network of partners and agents – for top service anywhere around the globe.

Forwarding Switzerland

Overnight express with around 20 vehicles: delivery throughout Switzerland by 8 a.m. at the latest – ideal for pharmaceuticals and hospitals.

Transport Europe

Groupage and full loads across Europe via an excellent partner network, including all customs formalities.

OnBoard Courier

Machine downtime? The OnBoard courier brings spare parts in person on the next available flight to your customer's site.

Storage / Handling

Own warehouse space at Zurich Airport, cold room for temperature-sensitive goods and storage of uncleared shipments thanks to ZEZV.

Transport Eastern Europe – daily departures via Vienna

Through close cooperation with a Vienna-based partner we offer part and full loads by road to Eastern and South-Eastern Europe and the CIS – with daily departures, short transit times and a direct contact in Switzerland.
